

UNITED STATES BANKRUPTCY COURT

Northern District of Georgia

In Re: Debtor(s)
Timothy F White
1649 Hickory Cove Rd
Jasper, GA 30143

Case No.: **10-22580-reb**
Chapter: **7**

xxx-xx-3859

ORDER

Because no party in interest has filed a request for an order of dismissal pursuant to 11 U.S.C. § 521(i)(2) and because the parties in interest should not be subjected to any uncertainty as to whether this case is subject to automatic dismissal under §521(i)(1), Debtor is not required to file any further document pursuant to §521(a)(1)(B) to avoid an automatic dismissal and this case is not and was not subject to automatic dismissal under §521(i)(1). This does not prevent any party in interest from requesting by motion that Debtor supply further information described in § 521(a)(1)(B), and this does not prevent the United States Trustee or Chapter 7 Trustee from requesting by any authorized means, including but not limited to motion, that the Debtor supply further information.
